

Captain Mack's Umbrella Depth Chart

CM420CWH5

CM420CWH9

This information was calculated using 40 lb, test mono, Capt. Mack's CM420 Striper Umbrella, Capt. Mack's 1/2 oz. Super Jigs, and a 3/4 oz Chipmunk Jigs in the center of the rig. Boat speed was 2.5 mph. Please keep in mind that any alterations of line size, weight of the jigs or umbrella, or boat speed (take the wind into consideration when calculating boat speed) can drastically effect the depth of the umbrella.
